

Buy a T-Shirt! Become an Active Friend of the Dog Park

The Friends of the Dog Park has a mission of raising money to help build and support a local dog park in the Mt. Pleasant and Union Township area.

This is an opportunity to contribute to that cause by buying a T-shirt and more importantly wear the shirt whenever you are in a crowd to help spread the word and increase interest in the dog park.

If you buy a T-shirt and would like, we can also provide you with a supply of brochures and business cards with the FDP website address. By handing these out to family and friends we can create a large support network for this project.

Help support the Dog Park
